YOUR REGISTRATION DETAILS HAVE CHANGED (MID YEAR PROGRESSION)

Dear Student,

As a consequence of the Semester 1 (2018/19) provisional examination results, your registration details have changed.

Please check your student record in [UView](#) (under the Registration, Fees and Assessment tab in SISWeb) to see your new registration details.

Please note

You have received this email because you have either:

- a. progressed to the next stage of your programme;
- b. progressed to the next stage of your programme carrying modules from the previous stage;
- c. you are in the same stage but your overall status has changed i.e. you no longer have incomplete credits for a previous stage and have gone from 'registered carrying' to 'registered'.

What you need to do

- Check your student record in [UView](#) to see your new registration details.
- If you have progressed to the next stage of your programme, please contact your [Programme Office](#) for important advice regarding your programme of study and assistance in completing your registration for 2018/19.
- You can register to modules online until 5pm on Tuesday, 29 January 2019.

Your final exam results will be available no later than 2pm on Thursday, 14 February 2019. In the unlikely event that your final results are different to your provisional results your overall registration status may change e.g. you may not be entitled to progress. If this happens, you will receive an email to this effect after 14 February 2019.

If you have any queries you can contact us through the [Student Desk Connector](#).
