UCD Academic Regulations

Remember that new Academic Regulations will be in place for September 2019.

From the academic year 2019/20 onwards you will be able to progress carrying 10 credits from the **immediately preceding Stage only**. This means that all other Stages must be completed in full before you progress. For example, if you are in Stage 2 in 2018/2019, you must have fully completed Stage 1 and be carrying no more than 10 credits from Stage 2 to progress to Stage 3 in 2019/2020. You can review your stage progression and status within **UView** under the **Programme Summary** section.

From the academic year 2019/20, resits will count towards your credit limit. You will be limited to a **maximum of 40 credits in a semester, including resits**.

If you need any help with the new Regulations please contact the [Student Desk](#) in the Tierney building.
