[Temporary exam supports for students with injuries or temporary conditions](#)

The application for Temporary Exam Supports for May End of Trimester Exams is now open on SISWeb. This application is for students sitting exams with temporary injuries or conditions, such as broken arms. Strict deadline of **Thursday, 4 May at 5pm**.

[Advance Centre: Mitigating Cybersecurity Risks in Smart Manufacturing](#)

Friday, 19 May: The Advance Centre - Professional Education for Digital Transformation invites you to our next in series lunchtime webinar on where we will discuss key and recent advances in research and industry to address security risks in smart manufacturing. Please register on Advance Centre website to receive Zoom link.

[Advance Notice - Closure of Car Park N3 \(Engineering\)](#)

Please note that from **Friday, 5 May** the remaining section of car park N3 (Engineering) will be closed as planned to allow site hoarding and construction of the Centre for Future Learning to commence. See the [UCD Estates website](#) for details.

[Love Food, Hate Waste!](#)

Join us on **Thursday 27 April at 3pm** and get lots of hints and tips on how to deal with our food waste individually and begin to think about how we can target it College wide. All welcome.

[UCD Smurfit School Pop-Up at UCD Village](#)

Meet in-person with the Smurfit Admissions Team at our Pop Up stand in UCD Village on **Tuesday 18 April 12-2pm**, to discuss our range of Masters Programmes, suitable for both business and non-business students. Free tea/coffee vouchers offered to those who register & attend.

[UCDVO Film Series: 'Someone Like Me' with Guest Speaker Bulelani Mfaco](#)

Monday, 24 April 6pm: 'Someone Like Me' charts the journey for Drake, a gay man from Uganda adapting to Canadian life, and challenges that emerge within his sponsor group, Rainbow Refugees. All welcome. Please reserve your free seat by emailing info.ucdvo@ucd.ie

[University for All Symposium - Including the Student Voice](#)

This Symposium is an important event taking place on **Wednesday 3 March at 10am** in the Moore Auditorium, O'Brien Centre for Science to mark the University's progress so far. It is also an opportunity to consider and shape the

future of access, inclusion and widening participation in UCD. It offers students the opportunity to have their voice heard.

UCD Innovation Academy's Green Week Repair Clinic

Thursday, 9 March: Many items can be repaired with a little know-how or some help and advice. UCD Innovation Academy, Tog Hackerspace and a team of UCD volunteers will be on hand during this event to give your broken items a new lease of life. Book via [Eventbrite](#).

Survey of the awareness of ticks and tick-borne diseases in Europe

This is a 5-minute survey, designed by an international consortium of tick experts, which aims to investigate the level of knowledge and awareness of ticks and tick-borne diseases in the EU. It is anonymous and does not involve sensitive information.

The UCD Student Update is published fortnightly on a Tuesday during the academic term by the [Communications Office](#), [UCD Registry](#).
