Provisional results, Spring Trimester 2019/20 Released on Monday, 22 June 2020

Dear Student,

Provisional results for Spring Trimester 2019/20 will be released on **Monday, 22 June 2020** through your [Student SISWeb](#). These results are provisional until they have been approved by your Programme Exam Board.

You will receive an email at some point during the day containing a **secure personalised link** which will bring you directly to your results page. This is the only way in which you will be able to access your results on the day.

Final results will be released by **on Tuesday, 14 July 2020**. Your Award GPA will also be available, where you have completed your programme.

Access to **Statement of Results** from the Autumn Trimester and from previous years will be **temporarily taken offline from 15 June - 14 July 2020**. During this time, you will not be able to access your previous Statement of Results from SISWeb. If you need to download your Statement of Results please do so before 15 June 2020.

Should you have any queries in relation to your provisional results please visit the [UCD Assessment website](#).

Kind Regards,

Karen McHugh
