## Module Registration – Upcoming Key Dates

Dear Student,

Here are some upcoming key dates for module registration.

### Repeat/Resit/Withdrawn Modules (Continuing Students)

You can **register online to Repeat/Resit/Withdrawn modules (if needed) from today (06 September)** until 5pm on Friday, 08 October 2021. Read more about [Repeat/Resit/Withdrawn registration](#).

### Allocation of Elective Places

Online module registration will close for all students at 10am on **Thursday, 09 September**. At this point we will allocate places on Elective modules for continuing undergraduate students.

During this time, if you have not already done so, you will be able to confirm registration and complete Step 1 of online registration.

If you have chosen Elective modules, **an email will be sent to your UCD Connect email on 09 September to say if you were successful or not in getting a place**. Module registration will reopen from 9 am on 10 September for students who were unsuccessful in getting one or more of their Elective choices.

Module registration will reopen for all students from 12 noon on 10 September.
