This email has been circulated to: *All students*

CC: *Student Advisors*

The final confirmed Spring Trimester Exam Timetable for scheduled online assessments is now available on the UCD Current Students website.

If you have a query relating to a module that does not appear on the Exam Timetable, please contact your Module Coordinator as they will inform you of specific assessment arrangements in place for your module.

An individualised Exam Timetable will be available shortly on your UCD Connect Account on SISweb.

A reminder that a block of time is assigned in the timetable, but this does not mean that 3 or more hours is available to complete the exam. The specific details of the exam will be provided by your Module Coordinator, i.e. start time, exam duration, finish time and any additional time allowed to download/upload/submit the exam.
