

## UCD REGISTRY

### Spring Trimester Examinations and Results

Date: Monday, 26 April  
To: All registered students  
CC: Student Advisers

A reminder that supports and advice ahead of the main examinations period is available for you on the [Assessment Website](#). This includes the UCD Student Honesty Code statements that you will be prompted to read during the week via Brightspace, and can also be reviewed on the website at any time.

Results for the Spring Trimester will be issued to you on **Friday 18 June 2021**. See Assessment [Key Dates](#) for further information. Further details on how to access your results on the day will be provided nearer the time.

At this time of year, final assignments and assessments are on everyone's mind. Remember to balance study and work with time for relaxation, friends, and exercise (within public health guidelines). If you feel overwhelmed, contact your [Student Advisers](#).

In the meantime, I wish you well in your studies over the last few weeks of this trimester. Kind regards,

Karen McHugh  
Director of Assessment
