Spring Trimester Registration 2021/22

Dear Student,

Online registration will open initially for Stage 1 Undergraduate registration to Spring modules from Wednesday, 05 January 2022. Check your email on the afternoon of Tuesday, 04 January 2022 for your registration start time.

Stage 1 students (new in 2021/22) can pick a **Spring Elective Module** from **Wednesday, 05 January 2022 until 9 am on Monday, 10 January 2022** (some Programmes do not require you to pick Elective modules).

All Stage 1 students can make changes to their Spring modules chosen in September during that period.

What you need to know

- Module registration will close at **9 am on Monday, 10 January** so places in **First-Year Elective modules can be allocated**. It will **reopen** on a phased basis on **Tuesday, 11 January** for students who need to make another Elective choice. It will be open for all students from 2 pm on Tuesday, 11 January for changes to Spring Elective and Option modules.
- Students can **register to Repeat/Resit/Withdrawn modules** (if needed) from **2 pm on Monday, 31 January** until **5 pm on Friday, 04 February 2022**.
- Online module registration will **close for all** students at **5 pm on Friday, 04 February 2022**.

Check the [Key Dates page](#) for full details.

Picking a Spring Elective

If you can pick an Elective module you will see a module on your SISWeb record with the title - **"Elective Holder - Module will be selected in January"** – this will be replaced by the Elective module you choose.

If you do not wish to take an Elective module, you can select an Option module instead. You can also make changes to the Spring modules that you chose in September.

When you are exploring the available Elective modules, don't forget the Level 1 Discovery modules that will allow you to explore topical issues in society. If you're curious about the world we live in, check out the [Discovery Modules website](#).

Getting a place on an Elective

- If you see **Provisional** beside an Elective choice, places for that module will be randomly allocated on **Monday, 10 January**. Module registration will be closed during this time. Keep an eye on your email for updates on elective allocation.
- If you see **Confirmed**, you have a place on the module
- If you do not get a place on your first choice, you will be able to choose another Elective when module registration reopens for you on **Tuesday, 11 January 2022**. You will be given a start time for this and the details sent to your UCD Connect email.
- Online module registration will reopen for all other students from 2 pm on **Tuesday 11 January 2022**. It will close for all students at **5 pm on Friday, 04 February 2022**.
