### Complete your Registration

**Your registration is your responsibility.** It is very important that you get it right to ensure that you have access to your modules in Brightspace and that your timetable is correct.

**Online registration will close at 5 pm on Friday, 07 October 2022\*.**

To avoid a registration reactivation charge of €250, please make sure you have confirmed your registration by that date. The [Privacy & Security screen \(SISWeb\)](#) will indicate if you

have confirmed registration.

\*Please note that online registration closed on Friday, 23 September for Stage 1 Graduate Entry programmes.

Make sure you [register to enough Core and option credits](#) and **drop any extra modules** you are not planning to take. The 'Free Fees' scheme will only cover you for the standard number of credits (normally 60 credits per stage).

After Friday, 07 October, ask your [College or School Office](#) to make any changes to Autumn Trimester modules.

If you drop an Autumn Trimester module after Friday, 11 November 2022, you will have to pay fees for that module.

In **January 2023** you can choose your **Spring Trimester Elective** (if required) and review your other Spring Trimester modules. Keep an eye on the [key dates page](#) for updates.

## Paying Your Fees

The Government of Ireland has announced a [cost of living package for third-level students](#) as part of Budget 2023. This includes a once-off €1000 reduction of the Student Contribution Charge for eligible students. The reduction will apply if you meet all of the following criteria:

- Full-Time Undergraduate
- Free Fees Eligible
- Registered for 2022/23 academic year
- Registered to a normal credit load (a pro-rata reduction will apply if you are registered to fewer or more credits than this - [see examples](#))

See the [UCD Fees website](#) for more information about this.

Check the [fee payment dates and what you need to pay](#) for 2022/23.

**Online payments** can be made through your [SISWeb](#) account. [Other payment options](#) are also available.

Fees for **undergraduate students** will be charged on a modular basis. This means that as you select or drop modules, your fee charges will change accordingly. Check your fee account on a regular basis to ensure that you have met your fee payment requirements.

To **complete your online grant application or track its progress**, visit the [SUSI website](#).
