***This email has been circulated to: All Students***  
***CC: Student Advisers***

Dear :FORENAME,

Final results will be released by **2pm** on **Friday, 17 June 2022** through your [Student SISWeb](#).

#### **How to access results?**

You will receive an email during the day containing a secure personalised link which will bring you directly to your results page. This is the only way in which you will be able to access your results on the day. Further information on how your [results will be released](#) as well as information on [understanding your grades](#) can be found on the Current Students website.

#### **Where can I go for support?**

If you have a question in relation to your grades, you should contact your module coordinator and/or your [School or College office](#) to discuss and seek advice.

If you have encountered personal difficulties which have impacted on your academic performance and would like to discuss this with your Student Adviser, contact details are available on the [Student Adviser website](#).

If you have applied for extenuating circumstances in the Spring Trimester, the grade decision may still be pending at time of final grades release but will be dealt with as quickly as possible. Please do not be concerned by this.

If you cannot access your results, you may owe outstanding fees, or have a hold on your account, please contact the [Student Desk](#) for guidance on removing any assessment results hold.

#### **Student Survey**

We strive for continuous improvement in how we deliver and manage exams at UCD. To ensure we are doing our best we require your feedback, please have your say by taking our [survey](#) and be in with a chance to win an Apple Watch.

A student survey is conducted every three years to identify enhancements that can be made

to the examination operations. Some examples of enhancements made based on previous feedback are:

- Provide better and more signage in the Exam Centres - Additional colour-coded signage was put up in the Exam centres, with clearer and consistent information on what to do if help is needed. Signage is now bilingual (Irish/English)
- Release personalised timetable sooner - Personalised timetables are now released 2 working days after the main timetable is released
- Better exam paper layout - The exam paper cover sheet has been streamlined to now only include essential information

The [survey](#) closes on **Friday, 27 May**. On completion of the survey, you will have the opportunity to enter into a draw to win an Apple Watch

Kind Regards,

Karen McHugh
