Register to Summer Resit Modules

Dear Student,

Online registration is now open for registration to Summer Resit modules.
Log into **SISWeb**, click on **My Registration** and go to the **Repeats page**.

Please **register to your Summer Resit modules by 5pm on Friday, 27 June 2025**.

Please note

- Use the [Modules Archive menu](#) to search for your module. Check the 'What happens if I fail' section of the module description to see if a Summer Resit assessment is offered.

- If you decide not to take a Summer Resit, you can repeat the module the next time it is being taught.

Read about the [academic implications of resits/repeats.](#) There is also information available on the [Repeats/Resits](#) web page.

If you have any queries, you can contact us through the [Student Desk Connector](#).

Kind regards,
