### Examination Update

Dear Student,

We would like to draw your attention to the following as the Autumn Trimester 2025/26 is now complete.

#### **RDS Exam Environment**

We are aware that some students and staff experienced disruption during exams at the RDS as a result of noise, traffic and parking limitations.

Despite prior assurances from the RDS, there were issues resulting from other external site events that the RDS team failed to manage according to our standards for exams. The RDS team has apologised for these disruptions. We understand that this may have added stress during an already demanding period. We will be meeting the RDS early in January to review and discuss to ensure stricter protocols will be in place for future UCD exam sessions. We remain committed to protecting the integrity of your exam environment.

#### **Final Results**

Your final exam results will be available on **29 January 2026**, via SISWeb. For more details, visit the [Student Exam Results web page](#), where you will also find information on Extenuating Circumstances, Appeals and Remediation.

I hope you all enjoy a well earned break over the coming weeks.

Kind regards

Karen McHugh  
Director of Assessment
