### [What is Academic Integrity? UCD Library can help!](#)

All students should keep 'academic integrity' in mind when preparing papers and assignments. See our [guide](#) for information on how to avoid plagiarism and citing your sources correctly, with an overview of how to reference using major citation styles.

### [Have you Completed your Registration?](#)

Make sure that you have confirmed your registration. The Privacy & Security screen (SISWeb) will show if you have. Check your My Profile section in SISWeb and update or add any personal, address or emergency contact details as required. Watch this [video](#) to find out more.

### [UCD Global Book Club: Join Our October Reading Session!](#)

Connect with readers from around the world at the UCD Global Book Club October Session, focusing on Black History Month! Share insights, explore ideas, and meet new friends. [Register your attendance today.](#)

### [Webinar | Discover the Materials of Tomorrow](#)

Join us online on 16 October at 2pm for a "[Discovering the Materials of Tomorrow](#)" webinar. Delve into the latest research in materials science at Freie Universität Berlin, with Professor Siegfried Eigler.

### [UCD Wi-Fi changes - make the switch to eduroam now!](#)

The UCD Wireless Wi-Fi network will be phased out in all campus buildings over the next few months. If you are not already using eduroam, we strongly recommend making the switch now to ensure continued Wi-Fi access. [Find out how.](#)

### [Upcoming Key Registration Date - Friday, 31 October 2025](#)

Make sure you drop any unwanted Autumn modules by **Friday, 31 October 2025**. This date is also the deadline for applying for a Leave of Absence (where permitted) or withdrawing from your Programme. Make sure to chat to your [Student Adviser](#) if you need any support or help.

### [UCD Irish Institute for Chinese Studies Public Lecture Series](#)

Join Professor D'Maris Coffman, University College London for a public lecture on The New Multilateralism: Multilateral Governance and Regional Development after the SDGs. This event will take place in the UCD Confucius Institute from 6-7pm on **Thursday, 16 October 2025**.

### [Poetry of Us: Celebrate Culture Through Words at UCD Global](#)

Join the Poetry of Us multicultural workshop and explore identity, culture, and creativity through poetry on 23 October, 2-4pm in UCD Global Lounge. Open to all UCD students. [Register on Eventbrite.](#)

### [UCDVO Volunteer Programme - Information Session!](#)

Are you interested in being part of an ethical volunteer and global citizenship programme? Interested in volunteering in Tanzania, Uganda or Cambodia? Come along to [UCDVO's Info Session](#) on **Wednesday, 15 October, 5-6pm**, Village Auditorium, UCD Village.

### [UnaVEx - Virtual Exchange for Sustainability](#)

[UnaVEx](#) is a 5-week online programme of multidisciplinary and intercultural encounters for students interested in sustainability and the future of our planet. Apply now until 24 October; starts 13 November.

### [Europe and the World webinars](#)

Are you researching European Studies, International Relations or a related field? Interested in better understanding Europe's place in the world? Join [Una Europa's](#) peer-to-peer learning sessions for inspiring insights and exchanges with counterparts.

### [Applications open now UCDVO's Be the Change - starting 4 Nov!](#)

This [short evening course](#) of five parts will help broaden your understanding of solidarity and how to engage in meaningful action for change. You will also get to meet likeminded people and guest contributors from social movements across Ireland.

### [Attend a craft workshop in The Loop](#)

You may have already heard about The Loop, a crafting and repair space in the James Joyce Library, but did you know a series of four workshops, including jewellery making and crochet, is planned for **21-29 October**? [See the schedule](#) - no booking required!

### **Use of Technology to Measure Physical Activity**

You are invited to a lunch-time lecture with Prof. Harriet Wittink, University of Utrecht on the use of technology to measure physical activity in people with chronic pain on **Monday, 20 October 2025** in B004 Health Science Building

The UCD Student Update is published fortnightly on a Tuesday during the academic term by the [Communications Office, UCD Registry](#).
