NOTES

Students are registered to either a Single Subject Major (with prior permission) or a Joint Major.

*Psychology cannot be studied after Stage 1 as part of DN500. Students may avail of elective modules in Psychology subject to the University's regulations on the taking of electives.

*Portuguese cannot be studied after Stage 1 as part of DN500. Students may avail of elective modules in Portuguese subject to the University's regulations on the taking of electives.

Reference to '50 credits' or '25 credits' in the document below relates to the minimum credit required in the Single Subject Major or Joint Major at Stage 2. Students also complete 10 credits of electives at Stage 2. Electives may be taken in the degree subjects (Single Subject Major or Joint Major). Students will also take 50 or 25 credits in their Single Subject or Joint Major respectively, and 10 credits worth of electives, in Stage 3.
