Information on open Erasmus places 2018/19

Thank you for your interest in applying for an open Erasmus exchange place. These places are co-ordinated through the International Office instead of academic schools. Some of the places are open only to students from the Colleges of Arts and Humanities and Social Sciences. However, after selection, approval must be given to the application by the school(s) in which the student is studying.

Completion of the application form does not guarantee you a place, as demand is often greater than supply. Selection is based on GPA to date. Some partner universities will not accept students with a GPA lower than 3.0.

To apply, please see the instructions at <http://www.ucd.ie/international/going-abroad-with-ucd/exchanges/how-to-apply/> and complete the online application form by Friday 26 January 2018. You will be advised shortly thereafter whether your application has been successful.

Please note that students not studying the language of their host country as part of their degree will be required to provide proof of their language proficiency before they depart to take up an open Erasmus place.

Students are advised to check the websites of the universities to ensure that their subjects are taught and that a full study programme is available to exchange students.
