

Ucard Kiosk top up Instructions using tap and go only.

Note:

The Ucard top up Kiosk uses a credit / debit card tap and go feature only. It does not use chip and Pin, for chip and Pin, or cash top up go to the Ucard Bureau.

To begin, present your Ucard to the terminal marked Ucard.

The screen will display your original balance. press the continue button.

Select the amount you wish to put on your Ucard account from the menu displayed on the screen.

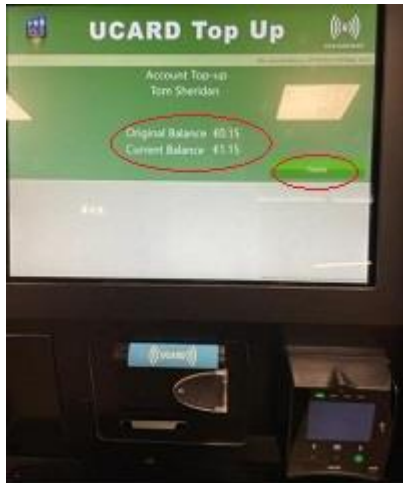

The amount you have selected, will be displayed on the screen in the bottom right hand corner. Press the confirm button to continue.

Present your Credit/Debit to the card reader in the bottom right hand corner, wait for 3 green lights for a successful transaction.

Once the transaction was completed, the screen will show your original balance and the new current balance. Click the finish button to logout.
